Section 1. Section 2, Chapter 99, Acts of the 51st Legislature, Regular Session, 1949 (Section 2, Article

6228b, Vernon's Texas Civil Statutes), as amended by Section 1, Chapter 439, Acts of the 58th Legislature, 1963, is amended to read as follows:

"Section 2. (a) Any judge in this State may, at his option, retire from regular active service after attaining the age of sixty-five (65) years and after serving on one or more of the courts of this State at least ten (10) years continuously or otherwise, provided that his last service prior to retirement shall be continuous for a period of not less than one year. Any person who has served on one or more of the courts of this State at least sixteen (16) years, continuously or otherwise, shall, after attaining the age of sixty-five (65) years, be qualified for retirement pay under this Act. Any person retiring in accordance with this Act after the effective date of this amendment shall, during the remainder of such person's lifetime, receive from the State of Texas monthly a base retirement payment equal to fifty per cent (50%) of the salary being received by such person per month from the State of Texas at the time of retirement or the monthly salary last received while serving on a Court of this State, whichever is applicable. An additional fifteen per cent (15) of the applicable salary shall be added to the base retirement payments to the following judges: (1) those eligible for retirement by length of service as herein provided who retire at or before age seventy (70); (2) those who are not eligible by length of service to retirement benefits at age 70 but who retire immediately upon becoming eligible; and (3) those in office on September 1, 1967, who then are or during their current term of office will be 70 or more years of age and who retire at or before the end of their current term of office; provided, however, the additional 15 per cent benefit shall not be paid to any judge who is not in office at the time he applies for retirement benefits under this act."

(b) The retirement payments of all persons who have retired under provisions of prior law shall continue without regard to the provisions of sub-section (a) and such sub-section shall not have the effect of increasing or diminishing such payments.

(c) A person retiring under the provisions of this Act after September

1, 1967, shall have the right to accept a reduced annuity similar to that provided in the State Employees Retirement System Act so as to convert the actuarial equivalent of the retirement payments which would accrue to such person hereunder during the life expectancy of such person to either a joint survivorship annuity plan or a fixed term annuity plan similar to that provided in the State Employees Retirement System Act for the benefit of the spouse or a specified dependent of such person. Application for such plan shall be made to the State Employees Retirement Board within thirty (30) days after such person retires under this Act. A person who has retired under the provisions of this Act prior to September 1, 1967, shall have the right to accept a reduced annuity in the manner set forth above provided (1) such person makes application therefor within ninety (90) days after September 1, 1967, and (2) repays to the State of Texas the difference between the reduced annuity and the amount actually received by such person in retirement payments. The ages upon which the reduced annuity shall be computed shall be the ages of the retired judge and the beneficiary as of the date of retirement. The beneficiary of an annuity plan under this sub-section (c) shall not be entitled to any benefits under Section 6A of this Act.

Sec. 2. This Act is effective September 1, 1967.

Sec. 3. If any word, sentence, or provision of this Act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are severable.

Sec. 4. The importance of this legislation and the crowded condition of the calendars in both Houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and the Rule is hereby suspended.

Senate Resolution 723

Senator Hardeman offered the following resolution:

Whereas, The same adventurous spirit that guided the young Charles A. Lindbergh across the Atlantic from New York to Paris forty years ago charted the course of a Texas college student, Paul Rachal of Midland, in his flight commemorating that event this week; and

Whereas, Both used a single-engined plane, but unlike Lindy's Spirit of St. Louis, the Mooney Mark 22 Mustang, piloted by Rachal, has a pressurized cabin, a ceiling of 24,000 feet and a cruising speed of 230 miles per hour; and

Whereas, Rachal landed at the same Le Bourget Field on Tuesday, May 23, which welcomed Lindbergh with cheers and tears; the young Texan is

the son of Hal Rachal, president of the Mooney Company, and has been a ferry pilot for some time; and

Whereas, Age 23 and a Texas Christian University student, he plans to deliver the aircraft to a buyer in Switzerland and return to Fort Worth in time for graduation exercises; he took his examinations early; and

Whereas, The flight took Rachal 15 hours and 59 minutes, compared to Lindbergh's 33 hours and 29 minutes, and the Mooney pilot bounded from his plane showing no signs of fatigue in contrast to the near exhaustion of his predecessor who pioneered the course; and

Whereas, Both young men, however, ate lightly during the flight, with Rachal carrying only two chicken sandwiches, an orange and a jug of water; and

Whereas, Texas is proud of the courage and adventurous spirit of its young men and the Senate of Texas wishes to recognize the New York-Paris commemorative flight of Paul Rachal of Midland; now, therefore, be it

Resolved, That the Senate of the State of Texas by this Resolution commend Paul Rachal of Midland and the manufacturers of the Mooney aircraft for their outstanding contributions to modern aircraft transportation; and be it further

Resolved, That copies of this Resolution under the Seal of the Senate of Texas be prepared for Paul Rachal and for Mooney Aircraft of Kerrville and San Angelo, Texas, in tribute to their accomplishments.

The resolution was read and was adopted.

AN ACT

Relating to the creation, administration, powers, duties, and financing of a hospital district in Sherman County, to be known as Texhoma Memorial Hospital District by authority of Section 9, Article IX, Constitution of the State of Texas; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. (a) In accordance with the provisions of Section 9, Article IX, Constitution of the State of Texas, this Act shall be operative so as to authorize the creation, establishment, maintenance and operation of a hospital district in the State of Texas, County of Sherman, with boundaries identical with those of the Texhoma Independent School District, as of January 1, 1967, to be known as Texhoma Memorial Hospital District.

(b) It is determined and found by the Legislature that neither Sherman County nor any city in Sherman County has acquired or operates any hospital facilities, and therefore the district, if created, will have no indebtedness to assume, nor will it have any properties to take over under the provisions of the aforementioned constitutional provision.

Sec. 2. (a) The hospital district authorized by this Act to be created shall provide for the establishment of a hospital system to furnish medical and hospital care to persons residing in the district by the purchase, con-

struction, acquisition, repair or renovation of buildings and improvements; and the equipping of same and the administration thereof for hospital purposes. The district shall assume full responsibility for providing medical and hospital care for its needy inhabitants. The district shall not be created nor shall any tax in the district be authorized unless and until the creation and the taxes are approved by a majority of the qualified property taxpaying electors of the district voting in an election called for that purpose. The election may be initiated by the commissioners court of Sherman County on the petition of 100 resident qualified property taxpaying electors residing within the boundaries of the proposed hospital district. The election, when called, shall be held not less than 30 nor more than 60 days from the day it is ordered.

(b) The order calling the election shall specify the time and place or places of holding the election, the form of ballot, and the presiding judge for each voting place. At the election there shall be submitted to the qualified property taxpaying electors the proposition of whether or not Texhoma Memorial Hospital District shall be created with authority to levy annual taxes at a rate not to exceed 75 cents on the \$100 valuation of all taxable property in the district for the purpose of meeting the requirements of the district's bonds and its maintenance and operating expenses. The ballots shall have printed thereon the following:

"FOR the creation of the Texhoma Memorial Hospital District; providing for the levy of a tax not to exceed 75 cents on the \$100 valuation, using Texhoma Independent School District values and the Texhoma Independent School District tax roll; and

"AGAINST the creation of the Texhoma Memorial Hospital District; providing for the levy of a tax not to exceed 75 cents on the \$100 valuation, using Texhoma Independent School District values and the Texhoma Independent School District tax roll."

(c) Notice of election shall be given by publishing a substantial copy of the election order in a newspaper of general circulation in Texhoma Memorial Hospital District once a week

for two consecutive weeks, the first publication to appear at least 14 days before the date established for the election.

(d) If the proposition to create the Texhoma Memorial Hospital District fails to carry at the election, no other election for the same purpose may be held within one year after the result of the election is announced officially.

(e) The petition shall be accompanied by \$200 in cash, which shall be deposited with the clerk of the court, and by him held until after the results of the election for the creation of the district and issuance of bonds is officially made known. If the election is in favor of the establishment of the district, then the clerk shall return the deposit to the petitioners, their agent or attorney. If the election is against the establishment of the district, then the clerk shall pay out of the deposit upon vouchers approved and signed by the county judge, all costs and expenses pertaining to the proposed district up to and including the election, and the balance shall be returned to the petitioners, their agent or attorney.

Sec. 3. (a) Within 10 days after the election is held the commissioners court shall convene and canvass the returns of the election, and if a majority of the qualified property tax-paying electors voting at the election voted in favor of the proposition, the court shall so find and declare the hospital district established and created and appoint five persons as directors of the hospital district to serve until the first Saturday in April following the creation and establishment of the district at which time five directors shall be elected. In appointing the initial directors of the hospital board, the Commissioner of Precinct 3 of Sherman County, Texas, has the right to designate three of the five persons named by the commissioners court. The three directors receiving the highest vote at the first election serve for two years, the other two directors serve for one year. Thereafter all directors serve for a period of two years and until their successors are duly elected or appointed and qualified. No person may be appointed or elected as a member of the board of directors of the hospital district unless he is a resident of the district and owns land subject to taxation in

the district and unless at the time of the election or appointment he is more than 21 years of age. Each member of the board of directors shall qualify by executing the constitutional oath of office, but it is not necessary that he execute a public official's bond. Members of the board of directors shall serve without compensation but shall be entitled to reimbursement for actual expenses incurred in the performance of their official duties upon the approval of the expenses by the board.

(b) The board of directors shall organize by electing one of their number as president and one of their number as secretary. Any three members of the board of directors constitute a quorum and a concurrence of three is sufficient in all matters pertaining to the business of the district. All vacancies in the office of director shall be filled for the unexpired term by appointment by the remainder of the board of directors. In the event the number of directors is reduced to less than three for any reason, the remaining directors shall immediately call a special election to fill the vacancies, and on failure to do so a district court may on application of any voter or taxpayer of the district, issue a mandate requiring that the election be ordered by the remaining directors.

(c) A regular election of directors shall be held on the first Saturday in April of each year and notice of the election shall be published in a newspaper of general circulation in the district one time at least 10 days before the date of election. Any person desiring his name to be printed on the ballot as a candidate for director shall file a petition, signed by not less than 15 qualified voters asking that his name be printed on the ballot, with the secretary of the board of directors of the district. The petition shall be filed with the secretary at least 15 days before the date of election. The regular election for the directors may be held in conjunction with and at the same polling place or places, and may be held by the same election judges and other personnel as any other regular election being held on the same date, and in particular, including any school district election being held on the date of this election provided by this Act.

Sec. 4. The management and con-

trol of the hospital district created pursuant to the provisions of this Act is hereby vested in the board of directors of the district who shall serve without compensation but may be reimbursed for actual expenses incurred in the performance of their official duties on the approval of the expenses by the board of directors.

Sec. 5. (a) On the creation of the hospital district, the board of directors shall have the power and authority and it shall be its duty to levy on all property subject to hospital district taxation for the benefit of the district at the same time taxes are levied for county purposes, using the Texhoma Independent School District values and the Texhoma Independent School District tax roll, a tax of not to exceed 75 cents on the \$100 valuation of all taxable property within the hospital district, for the purpose of:

(1) paying the interest on and creating a sinking fund for bonds which may be issued by the hospital district for hospital purposes as provided by this Act;

(2) providing for the operation and maintenance of the hospital district and hospital system; and

(3) for the purpose of making further improvements and additions to the hospital system and for the acquisition of necessary sites therefor by purchase, lease or condemnation.

(b) Not later than October 1 of each year, the board of directors shall levy the tax on all taxable property within the district which is subject to taxation and shall immediately certify the tax rate to the tax assessor and collector of the Texhoma Independent School District. The tax levied shall be collected on all property subject to hospital district taxation by the assessor and collector of taxes for the Texhoma Independent School District on the Texhoma Independent School tax values, and in the same manner and under the same conditions as school district taxes. The assessor and collector of taxes shall charge and deduct from payments to the hospital district the fees for assessing and collecting the tax at the rate of not exceeding one percent of the amounts collected as may be determined by the board of directors but in no event in excess of \$2,000 for any one fiscal year. The fees shall be deposited in the bank account of the Texhoma Memorial Hospital District.

Interest and penalties on taxes paid to the hospital district shall be the same as in the case of school district taxes. All funds shall be withdrawn only as provided by this Act. All other income of the hospital district shall be deposited in like manner with the district depository.

(c) The board of directors shall have the authority to levy the tax for the entire year in which the hospital district is established, for the purpose of securing funds to initiate the operation of the hospital district.

Sec. 6. (a) The board of directors shall have the power and authority to issue and sell as the obligations of the hospital district and in the name and on the faith of the hospital district, bonds for the purchase, construction, acquisition, repair, or renovation of buildings and improvements and equipping them for hospital purposes and for any and all of these purposes, provided that a sufficient tax shall be levied to create an interest and sinking fund to pay the interest and principal as it matures providing the tax together with any other taxes levied for the district shall not exceed 75 cents on the \$100 valuation in any one year. The bonds shall be executed in the name of the hospital district and on its behalf by the president of the board of directors, and countersigned by the secretary of the board of directors, and shall be subject to the same requirements in the matter of approval by the Attorney General of the State of Texas and the registration by the Comptroller of Public Accounts of the State of Texas as are by law provided for the approval and registration of bonds of counties of this state. Upon the approval of the bonds by the Attorney General and registration by the Comptroller the same shall be incontestable for any cause. No bonds shall be issued by the hospital district, except refunding bonds, until authorized by a majority of the qualified property taxpaying electors of the district who vote at the election called for this purpose. The election may be called by the board of directors on its own motion, and the order calling the election shall specify the date of the election, the place or places where the election shall be held, the presiding officers at the election, the purpose for which the bonds are to be issued, the amount of the bonds, the maximum interest rate, not to exceed six

percent a year, and the maximum maturity date of the bonds, not to exceed 40 years from the date of issuance. Message From the House

Hall of the House of Representatives
Austin, Texas,
May 25, 1967.

Hon. Preston Smith, President of the Senate.

Sir: I am directed by the House to inform the Senate that the House has passed the following:

S. B. No. 552, A bill to be entitled "An Act relating to the creation, administration, powers, duties, and financing of the Martin County Hospital District comprising all of Martin County, Texas; and declaring an emergency."

(With amendment.)

Respectfully submitted,

DOROTHY HALLMAN,
Chief Clerk, House of Representatives

Senate Concurrent Resolution 88

Senator Bates offered the following resolution:

S. C. R. No. 88, Granting J. W. Luttes and Pan American Oil Company permission to sue the State.

Whereas, J. W. Luttes of Cameron County, Texas, is the owner of all the oil, gas and mineral estate in that portion of the Potrero de la Buena Vista Grant in Cameron County, Texas, originally granted by the State of Tamaulipas to Manuel de la Garza Sosa on or about the 26th day of January, 1929, and thereafter confirmed by the State of Texas by the Act of February 10, 1952, and of that portion of Share 32 of partition of the Potrero del Espiritu Santo Grant in Cameron County, Texas, originally granted by the Crown of Spain to Jose Salvador de la Garza on or about September 26, 1781, and confirmed by an Act of the Legislature of the State of Texas on February 10, 1852, lying north of the north line of Blocks 217, 218, 219, 220, 221, 222, 223, 224, and 225 of Coast Land Farm Subdivision No. 3 of the Buena Vista Grant, and a westward extension of said line to the west line of said Share 32 of the Espiritu Santo Grant, subject only to an oil, gas and mineral lease on a portion of said lands in favor of Pan American Oil Company; and

Whereas, All of that portion of the

Buena Vista Grant above described and that portion of Share 32 of the Espiritu Santo Grant above described situated north of the Buena Vista Grant were bounded on the east by the Laguna Madre at the time said grants were made and confirmed, since which time considerable land has been formed between the eastern boundaries of those portions of said grants above described and the line of mean higher high tide of the Laguna Madre; and same is claimed by J. W. Luttes to constitute accretion to said grants and he owns the mineral rights; and the State of Texas claims that such land so formed is not accretion and is owned by the State; and in addition to such controversy, J. W. Luttes contends that various tracts or blocks of land shown on maps prepared by the General Land Office of the State of Texas, claimed by the State as Submerged Lands and classified as Public Free School Lands, conflict with and cover portions of the above described portions of the Buena Vista and Espiritu Santo Grants; and

Whereas, It is to the best interests of the State of Texas, J. W. Luttes, and his lessee, Pan American Oil Company, to have a judicial determination made as to the ownership of said area in dispute and controversy and the location of the boundaries separating the state owned submerged lands from the lands in which J. W. Luttes owns the oil, gas and mineral rights above mentioned, and to resolve the controversy as to the asserted conflict between the portions of the Buena Vista and Espiritu Santo Grants above described and the blocks of submerged lands shown on the maps prepared by the General Land Office and claimed by the State; and to do so it is necessary that permission to sue the State be given to J. W. Luttes (and Pan American Oil Company should it desire to join him in such a suit); now, therefore be it

Resolved by the Senate of the State of Texas, the House of Representatives concurring, That J. W. Luttes (and Pan American Oil Company should it desire to join him in such a suit) be, and they are hereby granted permission to sue the State of Texas in any Court of competent jurisdiction in this State for title and possession of the mineral estate in the above described area in controversy, and for declaratory judgment locating and

fixing the boundary separating the State-owned submerged lands in the Laguna Madre and the lands in said Potrero de la Buena Vista Grant and the Potrero del Espiritu Santo Grant in which the mineral estate is owned by J. W. Luttes and/or Pan American Oil Company, and to determine the ownership of the oil, gas and other minerals in said area in controversy and to resolve all conflicts and controversies between them and the State of Texas in the area above described to the end that such conflicts and controversies may be finally settled and determined and the asserted rights of the parties finally established and adjudicated. The service of citation or other process may be had upon the Attorney General of Texas and the Commissioner of the General Land Office of Texas, and either party shall have the right of appeal as provided by law.

The sole purpose of this resolution is to grant permission to J. W. Luttes (and Pan American Oil Company should it desire to join him in such a suit) to sue the State of Texas, and nothing herein shall be construed as an admission against the State of Texas of any facts or the rights of either party in or to the mineral rights in such land or the true boundary between State-owned submerged lands in the Laguna Madre and the lands in which J. W. Luttes and/or his lessee, Pan American Oil Company, own the mineral rights.

Be it further Resolved, That any and all defenses which the State of Texas may have shall be pleaded by the State, and none of the defenses which the State of Texas may have are in any way waived by the passage of this resolution.

The resolution was read and referred to the Committee on Jurisprudence.

Whereas, Jack B. Blalock and his wife, Sophia W. Blalock and wife, Ruby Wootten Blalock, et al, to Jack B. Blalock and wife, Sophia W. Blalock, dated May 1, 1958 and recorded in Volume 558, pages 569-574, of the Deed Records of Harrison County, Texas; and

Whereas, It is alleged that Jack B. Blalock and wife, Sophia W. Blalock, constructed on this property a spring-fed fresh water lake, a large dam and spillway, gravel roadways, bridges, boat houses, piers and other improvements at great cost and expense; and

Whereas, It is alleged that the State of Texas and the Highway Department of the State of Texas widened Highway 43 to a four-lane highway; and that the Highway Department and the State of Texas employed contractors and other employees and representatives to construct said highway with full knowledge that in removing the natural grass and shrubbery and in plowing up the natural surface of said existing roadway and right-of-way, that unless proper engineering steps were taken to protect the Blalock property, that in event of rain, sand, clay, asphalt, silt and other foreign matter would be washed upon said land and into said lake, thereby causing great and irreparable injury to same; that Jack B. Blalock and Sophia W. Blalock warned the Highway Department of the State of Texas, their contractors, representatives and employees before said damage occurred and sought protection; and

Whereas, It is claimed that the State of Texas and the Highway Department of the State of Texas, their representatives and employees, ignored said warning and plea, and without the permission or consent of Jack B. Blalock and Sophia W. Blalock, proceeded with said work, and in the month of April, 1966, heavy rains occurred at this location and as a result of the actions of the State of Texas and the State Highway Department, thousands of cubic yards of sand and silt and other foreign matter were deposited into said lake and upon the land which constituted the approaches to same; and

Whereas, The said Jack B. Blalock and Sophia W. Blalock represent that they have suffered substantial damage to their property by virtue of the trespass and negligence of the State of Texas and the Highway Department of the State of Texas, their contractors, representatives and employees, and that neither of them have ever been compensated therefor; now, therefore, be it

Resolved by the House of Representatives of the State of Texas, the Senate concurring, That Jack B. Blalock and wife, Sophia W. Blalock, are hereby granted permission to bring suit against the State of Texas and the Highway Department of the State of Texas, within two years from the adoption of this Resolution, in a court of competent jurisdiction in Harrison County, Texas, in order to determine what damages, compensation, or other relief, if any, they are entitled to receive.

Service of citation or any other necessary process may be had upon the Chairman of the Highway Department of the State of Texas and the Attorney General of Texas. The case shall be tried as provided by law for other civil cases, and either of the parties shall have the right of appeal; and, be it further

Resolved, That it is understood that the purpose of this Resolution is merely to grant permission to bring suit, and nothing herein shall be construed as an admission of liability on the part of the State of Texas or the Highway Department of the State of Texas, or of the truth of the allegations set out herein; and, be it further

Resolved, That nothing in this Resolution may be construed as a

waiver of any defense, of law or fact, available to the State or to any of its departments, agencies, or political subdivisions; and every defense is specifically reserved.

The substitute for the pending resolution was read and was adopted.

"Section 5. Section 9-402(1), Chapter 721, Acts of the 59th Legislature, Regular Session, 1965 (Uniform Commercial Code) is hereby amended to read as follows:

"Section 9-402. Formal Requisites of Financing Statement; Amendments

(1) A financing statement is sufficient if it is signed by the debtor and the secured party, gives an address of the secured party from which information concerning the security interest may be obtained, gives a mailing address of the debtor and contains a statement indicating the types, or describing the items, of collateral. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches. When the financing statement covers crops growing or to be grown or goods which are or are to become fixtures the statement must also contain a description of the real estate concerned, and the name of the record owner thereof. Where the financing statement relates to a purchase money security interest in fixtures having a purchase price not in excess of \$1,500, the requirement that the financing statement contain the name of the record owner is satisfied by using the name supplied by the debtor,

unless the secured party knows that this name is not that of the record owner. The party attacking the effectiveness of a filing has the burden of establishing that the secured party knew at the time he filed the financing statement that the name entered on the financing statement was not that of the record owner. Each financing statement which covers goods which are or are to become fixtures must contain the following statement: 'Collateral is or includes fixtures.' A copy of the security agreement is sufficient as a financing statement if it contains the above information and is signed by both parties."

Amend Section 8 of S. B. No. 459, First Printing, by substituting the date "July 1, 1971" for the date "July 1, 1969" on line 31 and on line 35 of page 3.
